

EPSOM
COLLEGE

iPhone/iPad App

Available for free download from the App Store, the Epsom College iPhone/iPad app provides parents, pupils, staff and other members of the College community with readily available access on the move to the school's latest information. The College Prospectus and admissions information are also available for prospective parents and pupils.

FEATURES INCLUDE:

Regular news updates

Event details

Sports results

Term dates

Image gallery

Video gallery

Interactive campus map

Directions via Google Maps

Contact details and message leaving facility

Ezine sign-up

Prospectus download to iBooks

Admissions information

The Epsom College app also features a push notification service, alerting users to any special events or arrangements in the event of severe weather or transport disruptions.
