Permission to leave Houses during weekday evenings

All boarding pupils are expected to be in their Houses for Roll at 1755 and then from 1855 during the week (unless they have received permission to attend a Cultural Hour Activity; they should report to the Tutor on duty on return). They may leave their House to visit other parts of the site during these times on the following basis, provided permission has been given by HMM or Tutor:

- They are attending a College organised activity (e.g. a lecture, music lesson, the Library etc);
- They personally sign out on the Gate List indicating where they will be, and personally sign in as soon as they return;
- They do not visit another House, unless with the specific permission of their HMM and the HMM of the House that they are visiting;
- They do not ordinarily leave the campus unless they are accompanied by a member of staff (e.g on a theatre trip, playing an evening match etc.);
- Any pupil returning to the House after 2200 must personally report to the HMM (or Deputy Boarding HMM if they are on duty) immediately on their return.

Full Boarders Free Time on Saturday afternoon and Sunday

Full boarders must remain on site and attend all Roll Calls on Saturday afternoon and Sunday unless they have the prior permission of the HMM (or Deputy Boarding HMM if they are on duty) to be absent.

If they are likely to be out of their own House and elsewhere on site then they should sign the Gate List indicating their whereabouts, or text the HMM/Deputy Boarding HMM confirming their location. If visiting another House, pupils are required to sign in to the House they are visiting, and seek the permission of that HMM if required (See GfP 7.2 j);

Home Leave for Boarders

Boarders must seek written permission from the Second Master to return home during the week. In the cases where these home visits occur regularly, the Second Master will bring all such requests to the attention of the Headmaster. **Weekend leave requests for full boarders are dealt with by the HMM and clear records are kept.**

Town Leave rules for Weekly and Full boarders

Pupils are able to request Town Leave (i.e. to visit the Upper High Street, High Street, Ashley Centre and Sainsbury's Kiln Lane environs) but are required to abide by the following rules:

Weekdays

- Prior permission must be sought in person and be granted by the HMM or Matron;
- Pupils should be in school uniform;
- Town Leave is for a maximum period of 2 hours, and all pupils must be back on site by 6pm at the latest;
- The Gate List must be signed before departure and immediately on return by each pupil themselves;
- M4's will only be given Town Leave if they are in a group of at least 3 pupils. U4's are permitted Town Leave in pairs, and those in the 5th Form and above are permitted to go into Epsom on their own.
- Pupils must travel on foot, by taxi or in the College minibus. Pupils are not permitted to travel in their own car or one driven by another pupil unless they have received the appropriate permission from their HMM as per the College's driving policy;
- Pupils must carry their own mobile phones at all times so that they are always contactable by the HMM.
- Only one town leave per week will usually be granted for any pupil.

Saturday afternoons and Sundays

- The rules for weekdays should be followed, but a pupil may request Town Leave for a period of longer than 2 hours. This may be granted, but is at the discretion of the HMM;
- On Saturday evenings pupils may request permission to remain off site past 6pm; M4 and U4 pupils should not normally be off site later than 1900 and must be back in their House by 2130 at the latest and older pupils back on site by 2200 (unless special permission has been granted by their HMM) and must certainly be back in their House by 2230 at the latest.

Leave to travel beyond Epsom on Saturday afternoon and Sunday

Senior Full Boarding pupils wishing to travel further than Epsom, for example to Kingston or London, may do so but are required to abide by the following rules:

- Prior permission has been sought in person and granted by the HMM. This permission should be sought at least 24 hours in advance;
- Parental permission has been emailed to the HMM in advance;
- Pupils must travel on foot, by train or by taxi but are not permitted to travel in their own car or one driven by another pupil unless they have received the appropriate permission from their HMM as per the College's driving policy.
- Pupils must carry their own mobile phones at all times so that they are contactable by the HMM.
- They must report back in person to the HMM immediately on their return.

For all leave off site HMMs are expected to know the following:

- Where the pupil is going? (restaurant or takeaway name and establish exact location; pubs, bars, clubs not allowed)
- What time is the pupil going to return?
- Does this comply with the respective curfew deadline?
- How is the pupil travelling to and from the destination?
- If they are visiting another pupil, then are the parents of this pupil aware of the visit?
- Is the pupil going alone, or with other pupils, and if so which other pupils?
- Do they have their mobile on them and do they have the HMM's number?
- Has the requisite permission been given by the parents or guardian?
- Where appropriate, are they aware of the necessary requirements for signing out/signing back in?

ⁱ While a House Prefect may be responsible for putting pupils to bed, the Tutor on duty or HMM is responsible for registering that all pupils are accounted for.

ⁱⁱ This is a personal check that fire doors are closed, lights are out, televisions and computers are switched off, outer doors are locked and any ground floor windows are closed. Again it is possible to delegate this responsibility to a House Prefect who can report back each evening, but the HMM (or Deputy Boarding HMM) is responsible for the final check.
